

HOW DO I OBTAIN RUNWAY SAFETY EDUCATIONAL MATERIAL?

Educational material, focused on runway safety and runway surface incursion prevention is available from the FAA, in quantity, by using the order form below. Requests can be made via email or fax. Single copies of certain publications may be downloaded from the national website www.faa.gov/runwaysafety. Email requests should be submitted to the Great Lakes Runway Safety Program Office at 7-GL-RUNWAY-SAFETY. Fax requests should be submitted to (847) 294-7437. For additional information or assistance, call (847) 294-7429.
